With the Samson Model "M" tractor on the job for all your heavy belt-power work you will not need a heavy stationary engine. It is a regular power plant in itself.

SAMSON

Model "M" Tractor

The Samson Model "M" Tractor is built to do the work of a barnful of horses without costing you a fortune or a big part of your crop to buy and maintain.

It is built to keep on doing this work—for as long hours as you like and not wear out—to do it every day in the year with mechanical, dependable perfection.

It is simple in mechanical construction and control—easy to look after and operate. It will run itself with little attention.

WE WOULD BE PLEASED TO HAVE YOU CALL AND LOOK OVER OUR LINE. OUR GOODS ARE MADE RIGHT AND OUR PRICES ARE REASONABLE.

ONE OF THE NEW OFFICERS OF THE STATE POLICE

LIEUT. F. L. BEDARD

Recently promoted from sergeant for excellent service.

PROMOTIONS IN POLICE ARE MADE BY MAJOR MARSH

COMMANDER OF STATE TROOPERS ANNOUNCES TWO NEW POSTS.

Major Robert Marsh, in command of the Michigan State Police, has announced the following promotions to take effect immediately: R. G. Strope, from captain to adjutant quartermaster; I. H. Marmon, from lieutenant to captain; H. F. Mulbar, from corporal to sergeant; H. B. Sabin, from corporal to sergeant; G. E. Karkeet, from corporal to sergeant; O. Olander, from corporal to sergeant; W. White, from trooper to corporal; John Sands, from trooper to corporal; James Wilson, from trooper to corporal; Owen Putnam, from trooper to corporal. A new detachment of Michigan State Police has been established at Adrian in response to the requests of business men and bankers who have written to the headquarters of the constabulary at East Lansing asking for the protection and services of the police. Corporal Owen Putnam and two troopers have been sent to Adrian. One of the requests came from the Bankers' Association of Adrian and another came from the Adrian Chamber of Commerce. Numerous individual requests have also been received.

A new detachment has also been established at Honor and Corporal James Wilson has been sent there. Several other small towns have requested detachments of State Police and their requests will be complied with as soon as there are men available. Sergt. Haas has been removed and Corp. Kultert has been put in command of the Sturgis detachment of State Police.

DISEASE CARRIERS PUT UNDER ARREST

Two men with contagious diseases were found running loose by Trooper T. R. Strope and Trooper B. S. Johnson of the State Police, a few days ago and were turned over to the Board of Health. Trooper Strope located the two men at the request of County Supervisor Smith of St. Charles. The men gave their names as John Hunt, age 70, and John Blackmire, age 35. The superintendent of the poor at Saginaw took them in charge.

CRAZED DRIVER RUNS AUTO THROUGH IONIA

Guy Thorp, drunk on "moonshine," drove his automobile full speed through Ionia the other evening—but he won't do it any more—at least for a while. Sergt. G. Karkeet and Cpl. Gillespie, of the State Police, arrested him, and after admitting his guilt Thorp was fined \$50 and costs. Those who witnessed the affair state that it is remarkable that no one was killed, so reckless was the driver, considering the frightful speed at which he was traveling.

ROAD HOUSE RAIDED BY STATE TROOPERS

A road house on the Genesee road near Buena Vista was raided the other night by Troopers Harris and Eaton. William Plones was arrested and charged with keeping a house of ill-fame and the possession of liquor. He was bound over to the circuit court by Judge Seigrist. Two women were taken in the raid.

PERSONAL GRIEVANCES NOT FOR STATE POLICE

Major Marsh, in command of the Michigan State Police, wishes it to be known that the members of the constabulary are in no way concerned and will refuse to handle personal grievances. Many minor disputes and purely personal matters have been put up to the State Police recently for action and settlement and in each case the parties were advised to consult lawyers or have their cases settled in civil courts.

Prest-O-Lite Battery Service

Service on All Makes of Batteries

All You Need to Know About Your Battery

You don't have to buy the same make of battery year after year any more than you have to buy the same make of spark plugs or tires.

When a better battery is offered you, all you need to know is that it will fit your car, give you quicker starts, brighter lights, and last you longer.

In every competitive test the Prest-O-Lite Battery has excelled all others in pep, power, and endurance. There is a correct size for every car.

You may not need a new battery now, but when you do buy a Prest-O-Lite—built by the Oldest Service to Automobile Owners in America.

No matter what make of battery you now own, we'll give it regular tests and add distilled water when needed—without charge.

We recharge and repair all makes at reasonable prices. A service battery is at your disposal while yours receives attention.

Drive around and let us look your battery over.
